Tilde Rack (4-Unit)

Designed by HCWD Studio for Hyfen

Tilde Rack is a versatile modular system that can be used as a screen, a room divider or an infinite coat rack for different environment layout such as residential, co-working or retail spaces. Tilde Rack can easily expand horizontally by adding more rack modules, and can be quickly assembled by one person.

Material: Powder-coated steel, felt fabric, magnet

* Other colors and fabrics are available for enquiry
